The spectators were able to follow the XV Pan American Games Athletics competition from two privileged venues. The general public had the opportunity of watching both the Marathon and Race Walk events surrounded by the breathtaking landscape characteristic of Rio's scenery. The other events were held at the Jodo Havelange Stadium, a beautifully designed venue specially built for Rio Sames and provided with facilities and equipment that leave nothing to be desired to state-of-the-art stadiums worldwide.

During the Athletics competition, spectators were treated to three unprecedented events: El Salvador and Antigua and Barbuda won their first gold medals in the history of the Pan American Games and also for the first time, Grenada was awarded a Pan-American medal - bronze.

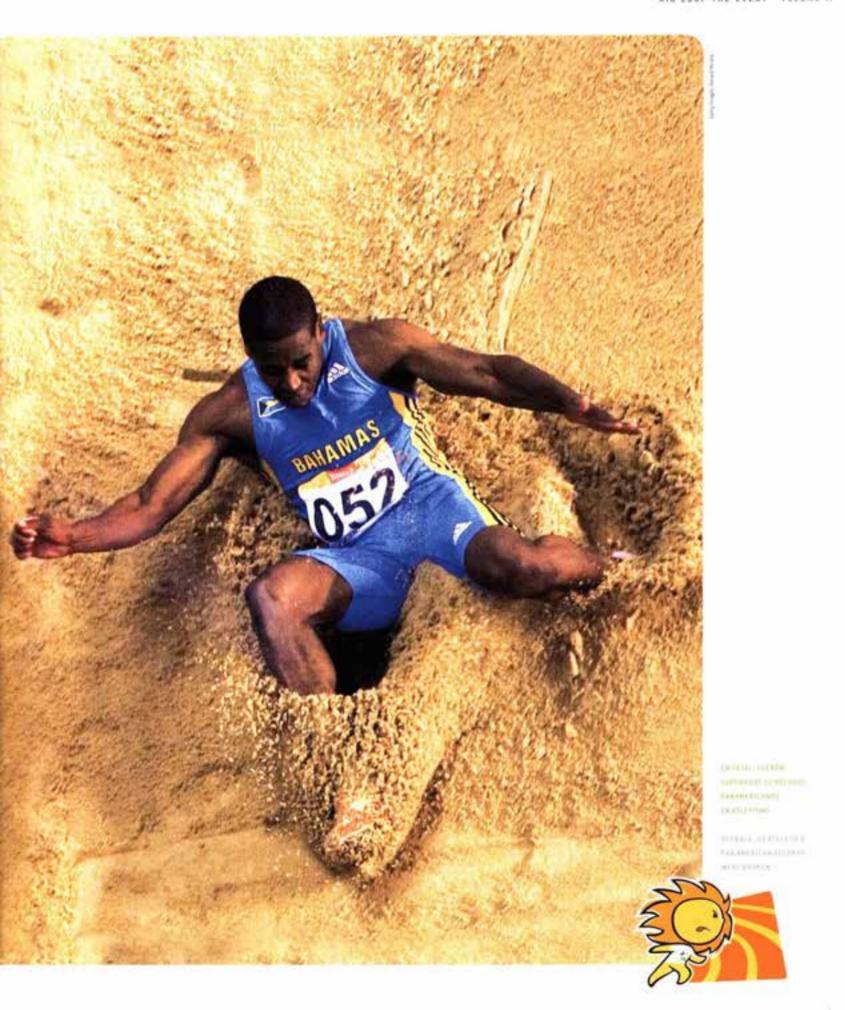

Overall, 12 Pan American records were broken. and 18 athletes claimed more than one Games medal. Among them Bahamas' Chris Brown deserves a special mention. Chris raced for gold at the men's 400m and 4x400m events.

Besides records and achievements, Rio 2007 Games staged women's 3,000m steeplechase. Brazil's Sabine Heitling delivered a gold medal performance and this race will make its Olympic Games debut at Beijing 2008.

Cuba was the country to win the largest number of medals, with 12 gold, 8 silver and 10 bronze, totaling 30 awards. Brazil finished second, with nine gold, five silver and nine bronze, totaling 23 awards. The U.S. team finished third taking home 6 gold, 12 silver and 6 bronze medals, totaling 24 medals overall.

The first of Rio 2007 Athletics competition gold medals was claimed by Cuba's Mariela González at the Marathon race held on July 22, the first day of Athletics competitions. Under a blazing sun, González crossed the finish line, at Porque do Flomengo, after 2h43m11s. Two Brazilians took the remaining podium positions: Márcia Narloch won silver finishing the race in 2h45m10s and Sirlene de Pinho, the bronze medal in 2h47m36s.

González was delighted when the exhausting race finished. This is the top achievement of my career. The heat made it even harder. But I was able to overtake Sirlene at km 31, and then I just kept the same pace," said Cuba's champion. For Gonzáles, the Marathon result had a certain flavor of revenge.

Peru consegui superar a Sirlene en elkilómetro 31, cuando ella lideraba, y después mantuve el ritmo", vibro la cubana. El resultado de la pracha también fue una especie de revancha para la campeona. Mariela había quedado en segundo lugar en el Maratón de Santo Domingo-2003 y perdió, justamente, para Márcia Narloch.

Si el Maraton fomenino abrio las competiciones de Atletismo, la procha masculina fue realizada el último dia de la programación. I was deadly set on winning and came prepared to push to the limit. At km 28, things started to complicate because of a blister on my foot. I was bleeding for the rest of the course. When I was reaching km 39, I saw there was a good chance. of overtaking the second runner (Amado Garcia) and I went for it as fast as I could," Franck reported.

The athlete made a point of paying tribute to the spectators who had followed the race despite the chilling rain. "Marathoners need this type of support since the early stages of the race. I was not aiming at breaking records during the Pan American Games. I was only thinking of the gold medal. And I made it."

kalómetro 28, las cosas comenzaron a complicarse porque apareció una ampolla en mi pie. Lo que fultaba del recorrido lo hice sangrando. En el kalámetro 39, vi que podía alcanzar al segundo colocado (Amado García) y ture una recuperación increible*, contó el atleta.

Y consegui".

Fue la tercera vez consecutiva que Brasil subin al lugar mas alto del podio en el Maratón panamericano. En Santo Domingo 2003 y Winnipeg 1999, la fiesta fue de Vanderlei Cordeiro de Lima que no completó la prueba en Bio 2007. Hasta los Juegos Rio 2007, Antigua y Barbuda selo había ganado una medalla de bronce en todas las otras ediciones de Juegos Panamericanos.

Las pruebas de Atletismo tavieron, aun, otros momentos de superación, protagonizados por dos mujeres: la mexicana Ana Guevara, en los 400m, y la brasileña Maureen Maggi, en el Salto de Longitud.

Subcampeona Olimpica en Atenas 2004, Ana Guevara llegó al inédito tercer oro en los 400m de los Juegos Panamericanos, La mexicana superò la desconfianza por parte de la prensa de su país, que no creia que ella consigniese recuperarse de una lesión en el hombro. Después de paralización obligatoria de tres meses. Ana sólo volvió a competir un mes antes de Bio 2007, donde venció los 400m con el tiempo de 50s34, su mejor marca en la temporada. Con el tercer título, superó a la dos veces campeona panamericana de la praeha, la legendaria cubana Ana Quirot. "Mi desempeño sirvió como respuesta a los rumores que meafectaron mucho. Consegui superarmo, dijo desahogindose.

La medalla de plata en los 400m fue para Christine Amertil, de Bahamas, con 50s99, y el bronce para la cubana Indira Terrero, con 51s09, La campeona mexicana saludó al público presente en el estadio y commemoró la victoria con la handera de Brasil.

in the men's championship, Netherlands Antilles' Churandy Martina won by two hundredths of a second, in 10s15, U.S. Darvis Doc Patton finished second and Antigua and Barbuda's Brendan Christian finished in third place in 10s26.

By the way, the athlete from Antigua and Barbuda made history at Rio 2007. Besides getting the 100m bronze medal, he won the 200m race in 20s37 and took home the first gold medal ever won by his country in the history of the Pan American Games, Antigua and Barbuda would later win a third medal - a bronze - claimed by James Grayman at the High Jump event. Until the Pan American Games Rio 2007, Antigua and Barbuda had only won a Pan American bronze medal.

The Athletics competitions had other great feats in store starred by two special women: Mexico's Ana Guevara, in the 400m race, and Brazil's Maureen Maggi, in the Long Jump competition.

Athens 2004 vice-champion Ana Guevara won her third 400m Pan American gold medal. The Mexican athlete overcame the misgivings voiced by her country's press questioning if she would be really able to recover from a shoulder injury. After a forced three-month rest. Ana went back to the tracks one month before Rio 2007. And she won the 400m race in 50s34, her best time in the season. With this third gold she outperformed two-time Pan American champion and Cuba's legendary Ana Quirot. "This performance was my answer to the rumors that had really shaken me. Well, here I am, on my way to the podium," she said unburdening her feelings.

The 400m silver medal was claimed by Bahamas' Christine Amertil, in 50s99, while Cuba's Indira Terrero finished third, in 51s09. The Mexican champion saluted stadium spectators and celebrated her victory holding a Brazilian flag.

In the Long Jump event, Maurren Maggi made a spackling return to the Pan American Games after a doping charge suspension just before Santo Domingo 2003. The Winnipeg 1999 gold medalist stayed away. from the tracks for two years and considered saying. goodbye to sport. Yet, she came back and confirmed expectations by winning on a 6,84m jump achieved in the second of her six attempts. "I had been waiting for this mament for eight years. Winning the gold medal in Brazil is a wonderful reward. From now on, I will be starting all over again," Maggi said. In achieving a 6.73m jump, Keila Costa was the second Brazilian

En el Salto de Longitud femenino, Maurien Maggi realizó un retorno de gala a los Juegos Panamericanos, después de ser suspendida. acusada de dopaje, en la vispera de Santo Domingo 2003. Campeona en Winnipeg 1999, ella no compitió durante dos años, pensó en dejar de lado el deporte, pem se superó y confirmó el favoritismo al vencer con 6,84m, marca alcanzada en la segunda de las seis tentativas. "Hace ocho años que espero por este momento. Es una recompensa increible ganar el oto en Brasil. De ahora en adelante, es como recomenzar. conmemoro Maggi, Keila Costa, con 6,73m, completó la doble conquista brasileña en el podio y gano la plata. Yargero Savigne, de Cuba, saltú-6,66m y conquisto la medalla de bronce.

Además de todas estas conquistas, las competiciones de Atletismo de los Juegos Rio 2007 mostraron que algunas derrotas no sólo son parte integrante del deporte y de la vida. sino que también sirven como ejemplo para atletas y espectadores.

El dominicano Felix Sanchez llego a la ciudad de Rio de Janeiro con estatus de una de las mayores estrellas de Bio 2007. Campeon con superación del record panamericano en Santo Domingo 2003; Oro Olimpico en Atenas 2004 y höcampeon mundial en los 400m con vallas, este estadounidense que eligió competir por el pais natal de sus padres tiene, realmente, un curriculo envidiable.

Después de Atenas, Sanchez sufrio con sina serie de continiones que lo alesaron de los primeros lugares. Cercado de desconfiancas, desembarcó en Río dispuesto a probar que aún tenta mucho para mostrar en las pistas. En las semifinales, obtuvo el mejor tiempo de su grupoy el cuarto en la general, visiblemente sin exigirse al maximo. Al salir, elogió Rio 2007. "Esta ciudad puede conseguir los Juegos Olimpicos. Sería una gran cosa para America. como un todo, no solo para Brasil. Este público me encanta, es un público eléctrico, que apoya y vibra durante todo el tiempo. Lo que es una gran ayoda para los atletas", afirmó Sánchez-

Fue con esta vibración del público que Sancher se preparó para correr la final de la prueba, el 27 de julio. Dada la largada, tomó. la delantera con autoridad. Pero grandes

on the podium for the silver medal. Cuba's Yargeris Savigne jumped 6,66m and finished third.

Among so many brilliant performances and achievements, the Rio 2007 Athletics competitions showed that some defeats are not simply part of sport practice and life, but are also examples to spectators and athletes alike.

Dominican Félix Sánchez arrived in Rio de Janeiro as one of Rio 2007 brightest stars. Santo Doming 2003 Pan American champion and record breaker, Athens 2004 gold medalist, and two-time 400m hurdles world champion, this North American who chose to compete for his home country had a really impressive CV.

After the Athens Games, Sánchez suffered several injuries that kept him away from the first positions. Surrounded by misgivings, he got out of the plane in Rio firmly determined to prove that he was still capable of delivering excellent performances. He easily won his qualifying heat, but posted only the fourth-best time among the eight finalists, visibly saving energy for the final. On his way out, he was very keen on praising Rio 2007. "This city could win the Olympic Games. This would be great for all the Americas as well as for Brazil. I'm enchanted with the Brazilian public. They are enthusiastic, cheering and supportive all the time. This is a great help for all athletes," said Sanchez.

It was surrounded by this spectator support that Sanchez prepared for the finals on July 27. His start was really great. But sport aces are also subject to unexpected problems. Félix Sánchez tripped on the last barrier, saw the Pan American championship elude him and finished in 4" place. He had proved he was fully recovered though. A month later, at the World Championship, in Osaka, the Dominican ace claimed the silver medal.

Away from the podium but equally proud of his performance was Guyana's Cleveland Forde, who crossed the 10,000m finish line when Mexico's José David Galván was finishing his Victory Lap. Forde finished the race in 31m23s00, three minutes behind Galván and 1m20s behind the penultimate competitor, Colombian Javier Alexander Guarin. The Guyanese athlete's efforts were rewarded with enthusiastic applause by João Hovelange Stadium spectators.

The athlete later explained he had had some physical problems. "I've been plagued by stomach ache for some time and 10,000m is not my best race.

deportistas también tienen problemas inesperados. Félix Sánchez tropezó en la tiltima valla y vio la segunda victoria en los Juegos Panamericanos escapar, terminando la prueba en 4º lugar. Pero la demostración de que se había recuperado fue dada. Un mes después, en el Campeonato Mundial disputado en Osaka, el dominicano conquistó la medalla de plata

Lejos del podio, peni igualmente orgalloso de su actuación estaba Cleveland Forde, atleta de Guyana, que crusii la linea de llegada de los-10.000m en el momento en que el mexicano José David Galván, vencedor de la prueba; terminaba la Vuelta Olimpica de conmemoración por su conquista. Fonde completo la prucha con el tiempo de 31m23400, con tres minutos. más que Galván y 1m20s más que el penúltimo colocado, el colombiano Javier Alexander Guarin. El esfuerzo del atleta de Guyana fue premiado con muchos aplaissos del público presente en: el Estadio João Havelange.

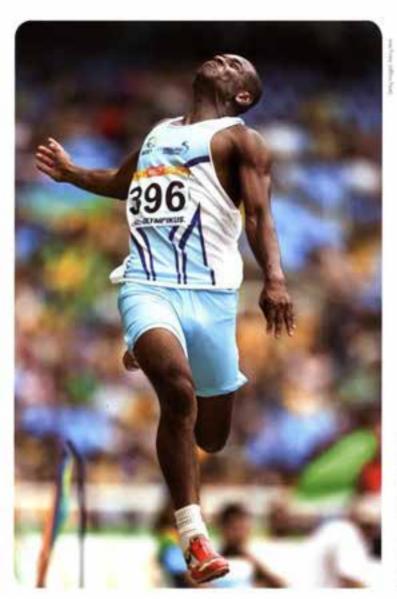

Como justificativa, el atleta reveló que tuvo problemas físicos. He sufrido con dolores de estômago, que hacen que me sienta mal hace algun tiempo, además los 10.000m no sonmi mejor praeba. Yo no desistiria de ninguna manera, terminaria de cualquier forma", afirmó Forde, 22 años.
